

MACHINE FAILURE PREDICTION

DECISION TREE MACHINE LEARNING

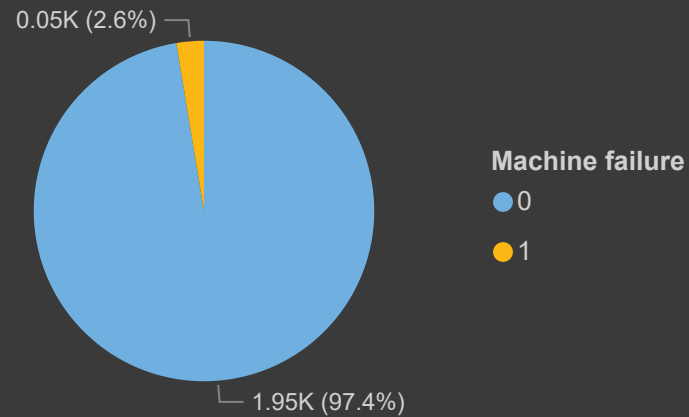

52

Sum of Machine failure

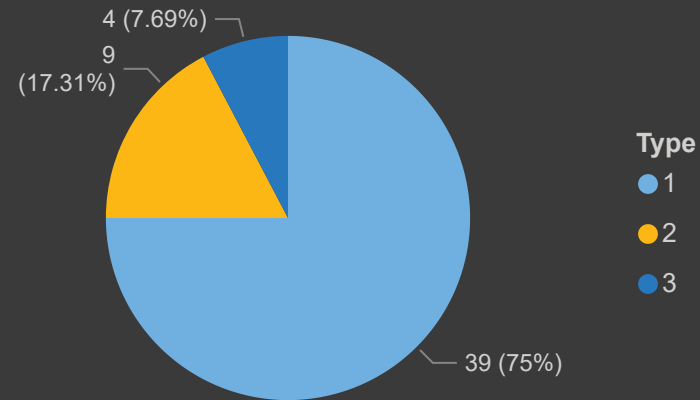

67

Sum of predictions

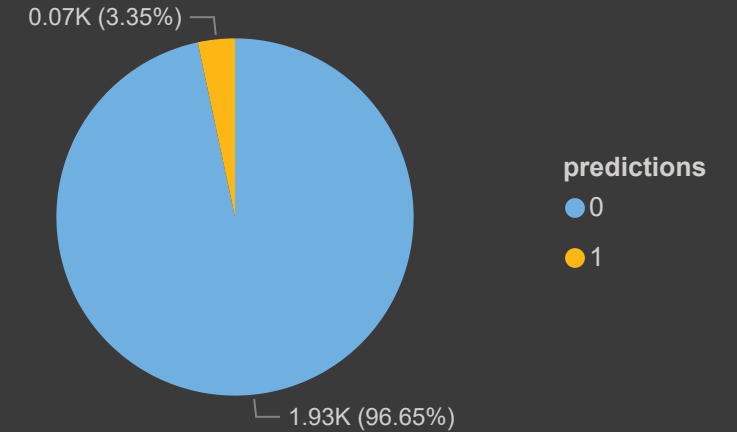

Count of Machine failure by Machine failure

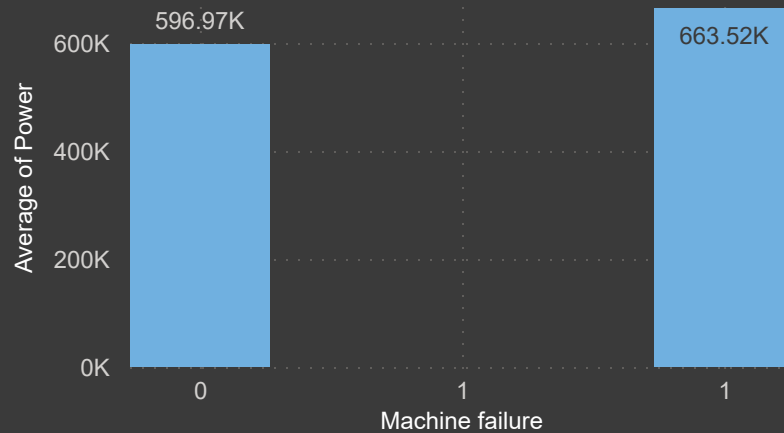

Sum of Machine failure by Type

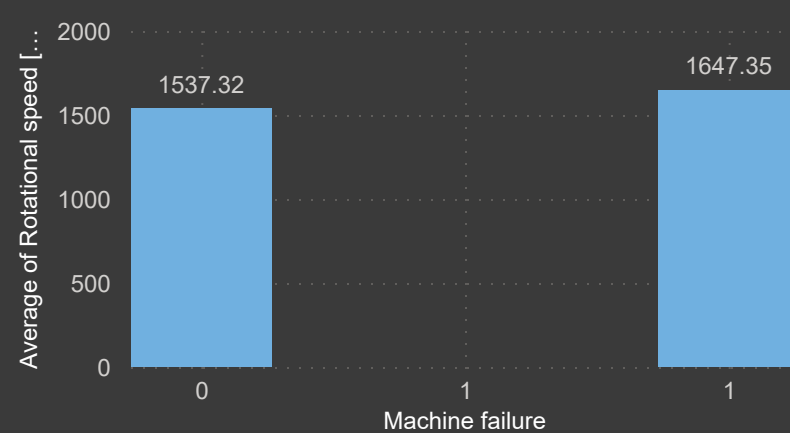

Count of predictions by predictions

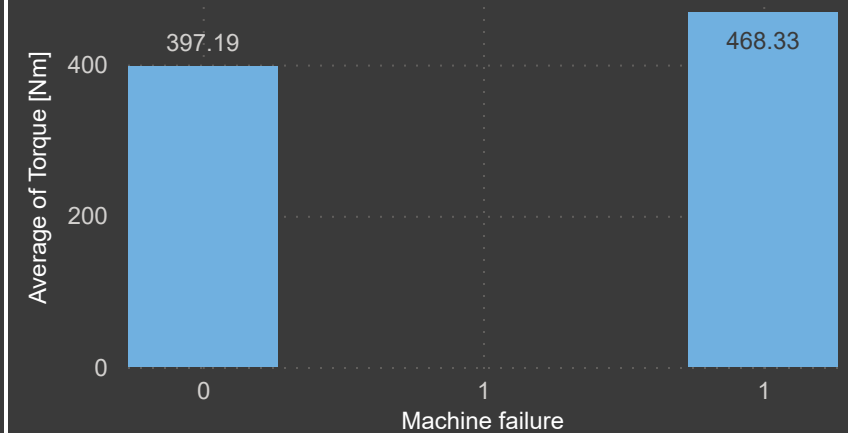

Average of Power by Machine failure

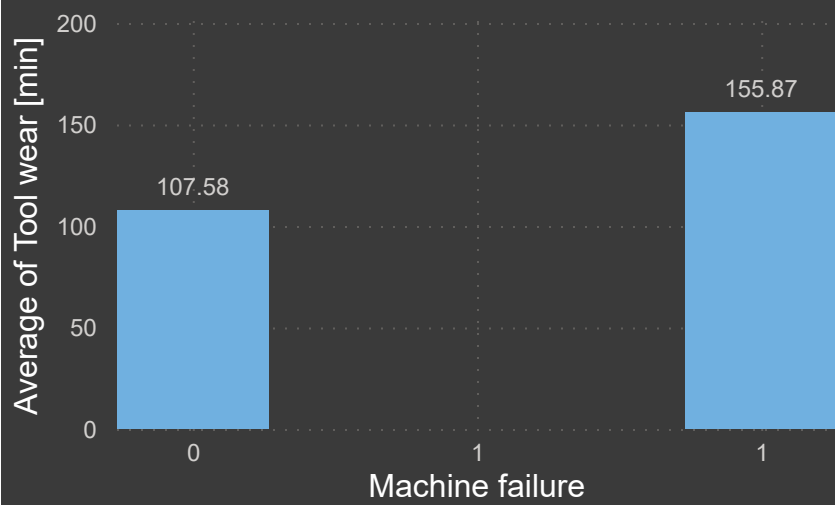

Average of Rotational speed [rpm] by Machine failure

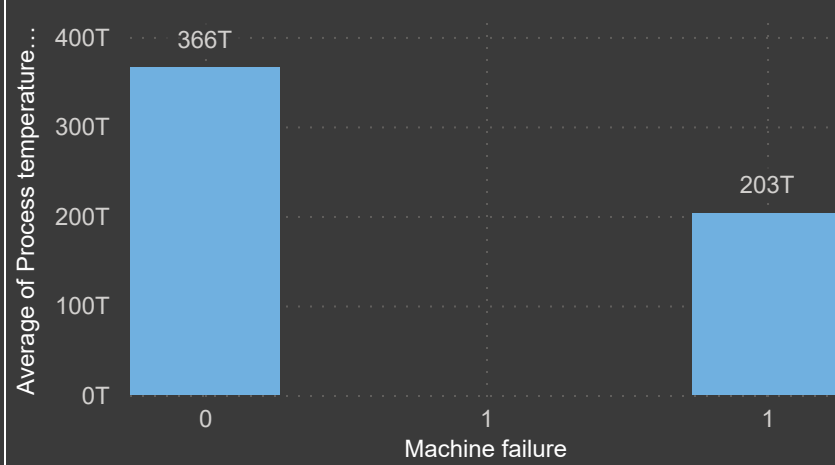

Average of Torque [Nm] by Machine failure

Average of Tool wear [min] by Machine failure

Average of Process temperature [°C] by Machine failure

Average of Temperature power [°C] by Machine failure
